## March Update

Since our official company launch on 1<sup>st</sup> February we have been busy establishing offices, building the staff teams and engaging with clients to present Peritus' capabilities and business model. Early tendering activities have commenced for various work in each of the three locations.

## Woking, UK

Peritus EAME is finalising the contract and fit-out for a 75 man office in central Woking, within 5 minutes walk from Woking station and intend to move into this office in April.

Recruitment is continuing. Look out for new specific position adverts on Oil Careers soon. We have recruited a number of Senior personnel in the Engineering, Finance and Office Management positions.

Ian Nash and Graham Taylor attended the 33<sup>rd</sup> OPT in Amsterdam in February.

## Houston, Texas

The Peritus Americas office located at 7850 N. Sam Houston Parkway W. at Heron Lakes Office Park is being fitted out with a move into date around 1<sup>st</sup> April.

Pete Breese, John Lella and Chris Tam recently attended the Houston DOT conference, Chris and Pete also attended the Subsea Tie-Back Conference also in Houston

## Perth, Australia

Peritus Asia Pacific moved into a dedicated office at 160 St Georges Terrace Perth on 8<sup>th</sup> March with initial capacity for 50 personnel. The office is located in Perth CBD within short walking distance to major client offices.

Claire Cubis-Edwards was appointed Recruitment Manager for Asia Pacific and will coordinate closely with the other regional offices to ensure the best resources are identified across the globe and placed where needed.

There has been a high level of response from quality candidates for staff positions at all levels and we look forward to announcing new recruits in the very near future.
